# GOAT CARCASS COMPETITION

Judge: **David Booth (Hoof)**  
**Dr Bruce McGregor (Hook)**

The objective of conducting a Goat Carcass competition is to identify the most consistent consignments of meat goats that meet market specifications with the highest eye muscle area and the leanest carcasses.

The Boer Goat Breeders Association of Australia Victorian Branch (BGBAA Vic) has developed, through consultation with The Royal Agricultural Society of Victoria, the Royal Melbourne Show Goat Carcass Competition, which comprises both Hoof and Hook components.

The competition is conducted by BGBAA Vic. All entrants are to comply with both the regulations of this competition, the Regulations of the Goat Competitions and the General Regulations.

In the event of any inconsistency between the General Regulations and these Regulations, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

## REGULATIONS AND GUIDELINES FOR THE BGBAA CARCASS COMPETITION

361. Goat Carcass \$25 per pen of three (GST inc.) for Members  
\$40 per pen of three (GST inc.) for Non-members
362. Any goat normally sold for meat can be entered. They do not have to be registered or have any special breeding.
363. Exhibits may be male or female.
364. Male goats entered in the Capretto class can be left entire as bucks.
365. Male goats entered in Kid or Chevon classes must be castrated and sold as wethers.
366. The animals will be scanned for fat depth and eye muscle area (EMA) Too much fat will be penalised. Animals may be moved to another class depending on their weight.
367. Animals must be free from drench or other chemical or drug residue at the time of slaughter.
368. Animals do not need to be nominated individually when entered, only the breeder's name and number of entries (in groups of 3). Animals will need to be tagged to identify the animal for the hook competition.
369. Animals will be eligible for two separate competitions. The "hoof" component, judged at the Royal Melbourne Show, and the "hook" component judged at the abattoir.
370. There will be two separate judges. The judges' decision will be final.
371. All Exhibits entered will be sold and transported to the abattoir. If Exhibitors wish to keep the carcasses after slaughter they will have to pay the kill and transport charge.
372. In order for Exhibits to be slaughtered, and therefore eligible for competition, Exhibitors must provide a National Goat Vendor Declaration, as they are being sold for meat.
373. All exhibits entered are required to have a NLIS tag attached when attending the Show.
374. Exhibitors will comply with the Health Regulations, as listed in Regulation 333 of the Regulations for Goat Competition listed in this Schedule, including Veterinarian certification for Johnes Disease.
375. All Animals to be entered in a pen of three, which equates to one entry.
