JUDGES CRITIQUE  
Mr Ramon Podesta

Enjoyed having many excellent quality dogs. Best Puppy has a great future. I really liked second female from the Open Class, but she did not behave well on examination, is a great mover. First three placings in the Open dog Class have a lot of quality to offer to the breed and could win anywhere in the world. The same applies to the first three in Open Bitch. Congratulations to the breeders.

Very good quality in general. Typey and sound, but some are not balanced. Heavy boned with soft expression. No blue eyes. The gait is steady, powerful and balanced.

In general the quality was very good, especially the substance (bone and muscle). Very typey, short legged hound with loos skin on the head, long muscled body is well supported by the short legs. Tail is curved like a sabre, gait is smooth, free action with powerful thrust of hind legs.
