JUDGES CRITIQUE

Mr Izumi Awashima

In general, sturdy and square built. Good type and balance. Coat wiry and dense, very good texture and colour. More than 70% were salt and pepper. Good size for male and female. I found poor substance in some dogs. Good number of entries and on average, good quality. Some brown spots on the coats of salt and pepper (influence of sunshine?)

Mrs Rose-Marie Cabion

A really nice entry of Shar Pei's. My winning dogs were active and happy with square bodies, correct angulation of shoulders, strong hindquarters and good bone. The heads were mostly large and of correct proportions and lovely small ears. Wrinkles in all the correct places, and strong movement. Their eyes were a good shape, dark brown and absolutely "clean". Unfortunately one or two really nice dogs had problematic eyes that appeared to be bothering them and watering. Mouths were good and the right colour.

A super entry of some wonderful Shih Tzu's. What a treat to have so many good ones to judge. I found that most of the heads were gorgeous with correct placement of eyes and nose, excellent bodies and absolutely wonderful coats. The movement was so sound, and the presentation showmanship first class.

Mrs Rose-Marie Cabion

Not many Sussex Spaniels but some very nice ones with good substance and the correct rolling movement. Typical heads of correct proportions and massive deep bodies and really good bone and strong feet. Their pigment was correct and coat colour good.
