INTRODUCTION

The Royal Melbourne Wine Awards (RMWA), conducted by The Royal Agricultural Society of Victoria (RASV), is Australia's premier wine awards. Built on a longstanding tradition of celebrating excellence and innovation in Australian winemaking, the awards reflect current industry trends, production techniques and consumer interests.

WHY YOU SHOULD ENTER

There are many reasons to enter the RMWA, including:

- The RMWA is Australia's leading national wine awards, offering Exhibitors the opportunity to benchmark their wines against industry standards.
- In reporting results to Exhibitors, exhibit scores are represented on distribution graphs (where there is sufficient data to do so) enabling Exhibitors to see how their wines rank against those of their peers.
- Medal-winning Exhibitors will be provided with the RMWA Marketing & Promotional Tool Kit to assist with promoting their win and marketing their wines with a seal of quality.
- Gold Medal-winning Exhibitors who have demonstrated consistency across three consecutive years (since 2015) with the same wine will be awarded a Consistency of Excellence Medal (see page 6 for details).
- Medal-winning Exhibits will be promoted through the RMWA associated events, including at the Exhibitor and Trade Tasting on Friday 19 October.
- Award-winning winemakers will be invited to showcase their wines at the RMWA wine bar in the Winning Tastes precinct at the 2019 Royal Melbourne Show (the 2017 Show attracted close to 450,000 people).

WHAT YOU SHOULD KNOW WHEN ENTERING

- The RMWA is a credible and impartial competition conducted by the RASV, the organisation responsible for the Australian International Beer Awards and the Australian Food Awards.
- The judging panel boasts some of the country's most highly respected winemakers, wine writers and educators.
- Entries are blind tasted and judged on their own merits (see 'Judging Process' for details) - to ensure the anonymity of the Exhibit and to protect the integrity of the judging process, entries are allocated a tasting order number, separate from the Catalogue (Exhibit) Number.

ENTRY ELIGIBILITY

- A wine can only be entered once into the RMWA, with the exception of wines also entered into Victorian Wines of Provenance Classes 66 and 67.
- Exhibits must be entered in their correct class according to the wine's varietal (e.g. Chardonnay), blend of varieties (e.g. Grenache, Associated Varieties and blends) or wine type (e.g. sparkling, fortified, sweet wine), and the wine's vintage (e.g. 2010).
- Exhibits must be from a batch of finished bottled product.
- The batch from which the sample for judging comes must have been bottled as part of a commercial bottling run, with the minimum required quantity having been bottled by the time of delivery, i.e. by Thursday 27 September, 2018.
- The lot or bottling batch number, as well as the bottling date of the submitted wine, must be provided during the online entry process.
- Entrants are responsible for ensuring the prompt and safe delivery of their entries.

HOW TO ENTER

There are three simple steps to enter the RMWA:

1. Read through the competition Entry Booklet (this document) and the categories you can enter product into;
2. Complete the online entry process at www.rasv.com.au/wine and arrange payment for your entries, and
3. Upon receiving confirmation of your entries and product delivery instructions, submit your Exhibits to RMWA for judging.

HOW WE USE YOUR WINE

In accordance with Australian Society of Viticulture and Oenology (AVSO) recommendations, Exhibitors are asked to provide six (6) 750mL bottles, or equivalent volume, of each table wine and each sparkling wine entered, and three (3) 750mL bottles, or equivalent volume, of each fortified wine entered. With an appreciation for the scale of the RMWA, this requirement is to ensure that we have sufficient quantity to progress Exhibits through tasting rounds where they are contenders for medals and trophies.

In addition to samples being used for judging, they are also used to help promote and celebrate the award winners to the industry and consumers through a number of multi-faceted avenues including;

- Made available at the RMWA Exhibitor and Trade Tasting,
- Gifted to volunteer RMWA stewards in thanks and appreciation for their efforts,
- Featured in displays of Trophy and Medal-winning product,
- Showcased to guests attending the Royal Melbourne Show,
- Promoted at VIP and media tastings, and, in previous years, at consumer events,
- A limited amount of wines are made available to RASV board and staff in exchange for a monetary donation with the funds raised used to support the \$15K travel scholarship that is offered each year to the winemaker of the Jimmy Watson Memorial Trophy-winning wine.

RASV does not publicly or commercially sell any entered wine.

Exhibit stock remaining after the RMWA and its associated events will remain the property of RASV.

THE ROYAL MELBOURNE WINE AWARDS SCHOLARSHIP

Sponsored by RASV, the Royal Melbourne Wine Awards Scholarship is awarded each year to the winemaker of the Jimmy Watson Memorial Trophy-winning wine or to a bona fide employee of the winemaker.

The objective of the Scholarship is to enable the recipient to embark on a study tour of foreign winemaking regions and through this provide development opportunities by:

- Increasing knowledge of the global wine industry;
- Experiencing different winemaking methods and systems in key wine regions and wineries; and
- Initiating relationships between Australian and international winemakers, grape growers, researchers and marketers.

The value of the Scholarship is \$15,000 (ex GST) toward expenses such as airfares, accommodation, tuition and living costs incurred whilst traveling.

The 2017 RMWA Scholarship was awarded to Mark Bulman of Turkey Flat Vineyards, Barossa Valley, SA.

NEW IN 2018

DAILY RANDOM AUDITING

In 2018 we will be randomly requesting audit details of exhibits on a nightly basis. They will need to be completed within 24hrs to guarantee your exhibits can remain eligible for awards. These will need to show what the stock on hand levels are as of **Thursday 27 September 2018** as per the regulations and conditions of entry (please note: not the date you entered them).

NEW PRICE FOR WINES OF PROVENANCE

We understand that being able to supply multiple bottles of back vintage wine can be difficult, so this year we have decided to reduce the cost of entering into the two classes of wines of provenance. For 2018 the entry fee will be \$75 for wines of provenance red or white classes.

REDUCTION IN THE NUMBER OF CLASSES

For 2018 we have decided to reduce the number of classes. These reductions have occurred in some classes by joining two together and have not, in most cases, resulted in the loss of classes, but rather simplifying the system.

DISCONTINUATION OF VERMOUTH CLASS AND INNOVATIVE AND ALTERNATIVE FORTIFIED CLASS

For 2018 it has been decided to no longer continue these two classes as part of the RMWA. We thank all the previous exhibitors and see this as another part of the evolving development of the competition.

EXPLANATORY NOTES FOR CLASSES

ORGANIC AND BIODYNAMIC

Organic wine is described by the Australian Society of Viticulture and Oenology (ASVO) as wine made from grapes grown in accordance with principles of organic farming, which typically excludes the use of artificial chemical fertilizers, pesticides, fungicides and herbicides. Biodynamic wine is described as being made in line with the Demeter-International Biodynamic protocols.

In accordance with AVSO recommendations, these wines will be judged with all other wines in their varietal/blend class. The gold medal winning organic and biodynamic wines of each class will then be retasted and ranked using the Borda Count method to determine the trophy winner. Entries must be certified by a registered authority in Australia against *Australian Standards 6000-2009 - Organic and biodynamic products*, and entrants will be required to provide a copy of their certificate during the entry process.

Eligibility

Sweet (Botrytis and non-Botrytis) and Fortified classes, as well as Wines of Provenance entries, are not eligible for the Best Organic or Biodynamic Wine Trophy. Wines entered in the Wines of Provenance classes need also to be submitted in their appropriate classes to be eligible.

Held Finished Bottled Stock Requirement

The minimum stock held requirement of finished bottled stock for organic and biodynamic wine entries is 100 dozen, the same as Single Vineyard. An organic or biodynamic wine is eligible for its class trophy, as well as the Halliday, Mast and Seabrook trophies, but not for the trophies that require 250 dozen (e.g. Jimmy and Francois) unless 250 dozen is held and verifiable.

The National Association for Sustainable Agriculture Australia Limited (NASAA) **Organic Standard 10.12.1** (December 2004, Amended February 2016, page 89 of 119) outlines the practices approved for organic wine production and processing:

The Standard can be found here:

- Crushing in food grade construction material (food grade plastic or stainless steel)
- Clarification with approved products (refer to Annex 4 “Acceptable Additives of Non-Agricultural Origin and Processing Aids” and Table 10 - Packaging)
- Fermentation with naturally occurring yeasts on fruit and non-genetically modified yeasts
- Fining with bentonite, diatomaceous earth, food grade gelatine, casein and physical processes such as chilling
- Maturation and storage in food grade inert materials, including new barrels, dedicated organic barrels or barrels that have been cleaned to remove interior residues under cover of an inert gas such as nitrogen
- Stabilisation using approved products (refer to Annex 4 “Acceptable Additives of Non-Agricultural Origin and Processing Aids” and Table 10 - Packaging)
- Sulphur dioxide (Preservative 220) for preserving wine to a maximum level of 100mg/l (total)
- Bottling or packaging in new containers sealed with non-contaminated cork or other inert materials or in Tetra Paks
- Processing methods that include: settling, centrifugation, chilling, heating, filtration with approved media, treatment with inert gas

SPARKLING WINE

The RMWA will reference Wine Australia's interim determination of additional terms in relation to wines (regardless of origin) in respect of the following terms:

- Sparkling;
- Traditional Method / Classic Method / Fermented in this Bottle; and
- Bottle Fermented

The terms 'fermented in this bottle' and 'bottle fermented' distinguish between wines produced using the traditional method, i.e. *Methodo Champenoise* (a term which can no longer be used on Australian wines), and those produced using the transfer process. In summary, these determinations will prevent carbonated wines being described as 'sparkling', and wines produced using the transfer process being described as 'traditional' or 'classic' method.

Sparkling - The description and presentation of wine shall contain the term 'Sparkling' only if the wine has become surcharged with carbon dioxide by complete or partial fermentation of contained sugars. Carbon dioxide from other sources must only derive from Good Manufacturing Practice, as defined in Standard 1.1.1 of the Australia New Zealand Food Standards Code.

Traditional Method - The description and presentation of wine shall contain the terms 'Traditional Method', 'Classic Method', 'Fermented in this bottle', or similar, only if the wine is a sparkling wine produced by fermentation in the bottle, aged on its lees for no less than nine months, after which time the wine is separated from its lees by disgorging.

Bottle Fermented - The description and presentation of wine shall contain the term 'bottle fermented', 'fermented in the bottle', or similar, only if the wine is a sparkling wine produced by fermentation in a bottle not exceeding five litres capacity, and aged on its lees for no less than six months.

FORTIFIED WINE

Australian - A younger style showing fresh fruit characters, integration of spirit and some wood maturation, though not essential. Would expect up to five (5) years of age.

Classic - A maturing style, showing more complexity from wood maturation, yet with still some fruit character evident. A minimum of five (5) years maturation in wooden vessels. For Topaque and Muscat a minimum of 9° Be is required.

Grand - A mature style showing great complexity from wood maturation with a hint of fruit evident. Flavoursome, rich and great length. A minimum of ten (10) years maturation in wooden vessels. For Topaque and Muscat a minimum of 9° Be is required.

Rare - The epitome of maturation in the style, showing rancio from wood maturation, richness of flavour and extraordinary flavour length. A minimum of fifteen (15) years maturation in wooden vessels. For Topaque and Muscat a minimum of 9° Be is required.

INTERPRETATION OF STYLES

Blends of Cabernet Sauvignon/Merlot and Associated Varieties - Cabernet and related blends. Medium to full-bodied blends made with an emphasis on charm and complexity rather than variety. Including varieties Cabernet Sauvignon, Merlot, Cabernet Franc, Malbec and Petit Verdot in any combination.

Shiraz/Cabernet or Cabernet/Shiraz Blends - Classic Australian blend. Medium to full-bodied in style with some modern interpretations of the blend.

Grenache, Associated Varieties or Blends of - Made from Grenache, Mourvedre, Carignan, Cinsault, etc. (though excluding single varietal Shiraz/Syrah), or blends, and red blends that include white varieties Viognier, Roussanne, Marsanne, etc. Looking for a wide range of styles with balance, spice and interest. Judged in 'like' groups of varietal mix.

JUDGING PROCESS

Judging of the 2018 RMWA will take place at Melbourne Showgrounds, Ascot Vale, Victoria, Australia - Monday 8 October through Friday 12 October. Judging is closed to Exhibitors, Trade and the public.

- Panels will consist of a Panel Chair, two Judges and two Associates. Additionally, there will be a specialist panel assembled for Wines of Provenance.
- Classes will be assigned to judging panels to be blind tasted and assessed. In the instance of large Classes, these may be 'split' across a number of judging panels.
- Wines will be arranged by regional groupings for the purpose of judging within a Class. This grouping enables the judges to assess wines in a like-with-like situation. The benefits of this grouping is that it assists judges in honing their palates into a relatively focused field of flavour, structure and texture, ensuring the best wines from each area can be identified.
- Wines will be judged to the internationally recognised one-hundred (100) point scoring system and medals will be awarded as follows:

Medal	Point Range
Gold	95 - 100
Silver	90 - 94.99
Bronze	85 - 89.99

- The process for determining the 'top gold' medal-winning wine requires an additional level of scrutiny. The gold medal wines from a Class that is judged by a non-split panel will be reassessed by the judges in that panel and a 'top gold' nominated. For 'split' panel classes, the panels will nominate their panel 'top gold' from within their portion of the Class. The Panel Chairs will then reconvene to re-taste and determine a single top gold for that class.
- The 'top gold' wines of each Class are blind tasted by all judges and ranked using the Borda Count method to determine the Class trophy winners.
- The highest-ranked eligible Gold Medal-winning wines will be retasted and ranked where trophies are awarded across multiple Classes, e.g. The Jimmy Watson Memorial and François de Castella Trophies.
- The Chair of Judges will have awarded points totaled and checked. The Chair of Judges, in consultation with the Competition & Event Manager, will have the final power to arbitrate the Awards.
- The panel selected to judge the Victorian Wines of Provenance Classes (66 and 67) will look for consistency of style and excellence across the three wines and will provide overall commentary on the bracket (rather than individual scores). The three wines in a bracket that are deemed to be of the highest combined quality and trueness to a consistent style will be awarded the trophy. The trophy winner and runner-up only of each category (white and red) will be announced (providing the entries are deemed to be of appropriate quality and consistency of style).
- Judges may in their absolute discretion decline to make an award in any Class. Awards may be withheld in any Class where exhibits are considered unworthy or where the Judges for any reason and in their absolute discretion decide that any award shall be withheld.
- The Chair of Judges will have the power to disqualify or dismiss, as being ineligible for judging, any exhibit which, in his or her opinion, does not comply with the RMWA regulations, such disqualification will be final.
- The above instructions do not in any way limit or restrict any of the powers, discretions, rights, and duties conferred upon the Judges by the regulations or the RASV's powers under the regulations.
