# George Crockford Memorial Youth Achievement *Award*

George started showing Beef Shorthorns in 1981 at the Royal Melbourne Show and didn't stop there. He took cattle to Sydney, Adelaide and many local shows.

He was always encouraging youth to participate in youth events by taking schools to Adelaide Junior Heifer Expo as well as taking his grandchildren and great grandchildren to Stud Beef Victoria's Handlers camp.

He never stopped making the drive around the countryside to watch the next heifer expo the kids went to. He was also on the side lines encouraging everyone and anyone he could talk to. George was always there to watch the next generation come through the show ring as this was his passion. He put his heart and soul into youth achievement.

With the passing of George on the 6/6/2021 his legacy will continue, with the "George Crockford Memorial Youth Achievement Award".

This award will be presented to an outstanding youth achiever. Someone who is enthusiastic, a quiet achiever and passionate about the beef industry. The award will be judged as an overall herdsman throughout the duration of the Beef Cattle judging at Melbourne Royal.

The successful recipient will receive the entry fee to a youth camp of their choice.

If you're interested in being the lucky recipient, please Contact Tiffany McLauchlan on 0484239790 or find PJ Cattle Co at Melbourne Royal Show before 4pm on Wednesday 27th of September. All you need to do to enter is provide your name and the stud you're working for at Melbourne to have a chance to win in George's honor.

These spaces will not be made available to individual studs. Only one space per breed will be granted and only if space permits. Melbourne Royal reserves the right to select the occupier of said space.

We invite Breed Societies and Associations to contact Melbourne Royal in relation to breed promotional material for the judging ring.

## Catalogues

Catalogues can be downloaded free of charge from [www.melbourneroyal.com.au/beef-cattle](http://www.melbourneroyal.com.au/beef-cattle). Additional copies of the catalogue may be purchased from the Superintendent's Office at the Melbourne Royal Show for \$15.00 each.

Each Breed Society or association may nominate persons qualified to act as a breed representative for their breed. Melbourne Royal must approve and officially appoint the breed representative.

## Important Information for Beef Cattle Exhibitors

A Breed Representative's essential duties are to provide a link between Exhibitors and the Cattle Superintendent, and to inform Exhibitors at the direction of Melbourne Royal.

### Sand in the Livestock Pavilion

Please note that sand will be placed on the pavilion floor to address cattle slipping. Please refrain from sweeping and removing the sand from the pavilion floor.

### Calf Spaces

Due to space restrictions, spaces cannot be booked for calves at foot. Calf spaces will only be provided where space permits.

### Sawdust Bedding For Cattle – Principles For Good Management

To achieve the best results from bedding cattle on sawdust, the following system of management is recommended:

- a) Pick up manure at every opportunity.
- b) Avoid water spillage in stalls.
- c) Regularly smooth out the bed with the aim of assisting drying.
- d) Consider using rubber matting for front half of bed.
- e) Do not dig out the wet patches.
- f) Do not disturb the bedding base.
- g) Keep the top of the bed loose.

Experience has shown that properly managed bedding will last a full Show with little need for top up bedding, particularly with some classes of livestock.

### Tattoos and Inspections

The 2023 Show will see the strict enforcement of Special Regulation 26. If no tattoo is present at the point of inspection the exhibit will be disqualified from taking any further part in the competition.

### Clipping of Exhibits

A limited number of clipping frame spaces will be available, provided an application for space and a \$150.00 fee (GST inc.) accompanies entries.

All clipping frames must have secure flooring. Clipping frames must only be kept in their designated area. Failure to adhere to this rule will result in automatic removal of the clipping frame.

Clipping frame tags (distributed with exhibitor packs upon arrival) must be fixed to clipping frames for the duration of the Show. Any clipping frame not displaying a tag will be required to be removed.

### Spraying of Hooves

Exhibitors are reminded not to spray cattle hooves on the concrete. If exhibitors are found to be spraying the hooves the costs of the cleaning will be passed onto the exhibitor.

### Absence of Exhibit

Notwithstanding the relevant general regulation's exhibitors may withdraw exhibits provided that written notification is given to Melbourne Royal by 5:00pm on Friday 11 August 2023. The full bedding fee will be refunded for each head of cattle withdrawn in writing by this time.

### Property Identification Code

The Property Identification Code of the Melbourne Showgrounds is 3MWAG001

### Minimum Number of Exhibits

Exhibitors are reminded that as per Section 102 of the Special Regulations, breeds must have ten or more exhibits entered (not withdrawn) to ensure Breed judging. If a Breed has nine exhibits or less, they will be judged in the appropriate 'Any Other Breed Class'.

# 2023 Melbourne Royal Beef Cattle Competition

## Limousin Feature Show

Melbourne Royal are thrilled to welcome the Limousin Feature Breed Show. The Australian Limousin Breeders' Society is celebrating the 50th anniversary of Limousin in Australia and New Zealand and we look forward to a spectacular and memorable event.

Championship prize money of \$50 will be made available by Melbourne Royal for Junior and Senior Champions, \$200 for Grand Champion Female and \$300 for Grand Champion Bull, provided there are three or more individual exhibitors competing in the ring for this breed. *All prizes and prizemoney are subject to change.*

The Limousin is a very old breed, as indicated by cave paintings dating back thousands of years. They originated in the mountainous Massif Central area of France where the weather can be severe, and evolved into hardy, feed efficient animals used for agricultural labour and prized for their meat.

There were a lot of qualities that attracted early adopters of the breed. Calving ease and calf vigour were very good and relative to growth, the Limousin breed remains a calving ease leader. Additionally, females were known to have excellent stayability and lifetime maternal productivity. A hallmark of the breed is a genetic mutation in the F94L myostatin gene. This causes the growth of additional muscle fibres, as evidenced by the shape of Limousin cattle, particularly around the hindquarters. In Limousins this "double muscling" is pronounced but not extreme. It results in additional meat and therefore profit without negative effects. All the muscle fibres are fine and so Limousin beef is tender.

A further feature of the breed is its lighter bone structure and increased meat yield. Limousin carcasses usually return 57-63% meat yield and up to 80% of saleable meat. Due to the combination of additional yield, tenderness and no excessive fat, Limousins win many carcass competitions and processors like a Limo infused carcass. The superior carcass attributes of the Limousin is why Limo sires are used in so many crossbreeding programs.

The modern Australian Limousin is now a very commercially relevant animal. Much more softness has been bred into the cattle to aid meat quality, and they have more milk. Significantly, the breed has been a leader in two traits: converting from a horned to a polled breed, and improving docility. The breed is now over 90% polled. Limousins were the first breed to develop an EBV for docility and the breed is now extremely docile. These advances improve worker safety and animal welfare.

*It is now being increasingly recognised that the breed has above average feed conversion rates and excitingly, early research points to the breed having a lower methane output than others.*

*Limousin breeders around Australia, who have made such significant gains over the past 50 years, look forward to providing Limousin seedstock that is commercially relevant, efficient and socially responsible to the beef industry into the future.*

1. All enquiries to be referred to Arthur J Gallagher:  
Telephone No: (02) 9424 1888

3. Nothing herein shall be construed to alter in any way the scope of insurance policy, its terms, conditions or exclusions, issued by insurers.

4. Melbourne Royal is not liable to the Insured Party in the event a claim is not paid or payable by Insurers unless Melbourne Royal fails to take reasonable steps to advise that the cover is or is likely to be cancelled or not renewed.

5. Melbourne Royal is not an Australian Financial Services (AFS) Licence holder. Melbourne Royal is not providing financial product advice, has not considered the particular needs of the Insured party and no statement is intended to influence a person or persons making a decision in relation to any insurance cover.
