The RASV has introduced three new non breed sections this year. These exciting new competitions include: Section 27 - Open Led Sport Horse and Pony, Section 28 - Light Harness and Section 29 - Working Hunter. Exhibits entered in these sections must be entered and accepted in a breed class in Sections 1 - 26 to be eligible to compete.

The aim of these new events is to provide classes to complement the led and ridden events traditionally offered in breed competition. We have endeavoured to provide classes that will promote and highlight the versatility of many breeds and give other breeds a forum to excel at the disciplines for which they are bred.

The RASV hopes that Exhibitors will support the new classes and looks forward to providing more exciting and innovative events in the future.

Section 29 - Working Hunter

This section is open to Exhibits entered and accepted in a class in Section 1 - 26 & 30.

Rosettes for 1st - 6th place will be awarded for classes 790 - 793.

The Working Hunter class is to be ridden in two separate phases. Phase one is the jumping phase where competitors are to negotiate a rustic type course comprising of approximately eight jumping efforts, to be ridden at a controlled hunting pace. Phase two is the flat phase where competitors are to perform a workout, (similar to that of a Show Hunter class), prescribed by the Judge.

The scores from both sections are then added together to decide the winner and place getters. In the event of equality of marks, the total mark from Phase One will take precedence, followed by the manners mark and then the conformation, type and freedom of action mark. If there is still a tie, the Judge's decision is final.

Equipment (Classes 790 - 793)

Whips to be a maximum length of 75 cm excluding the thong and/or lash. No bearing reins, side or running reins of any kind are permitted. Protective boots (horse) are permissible for the jumping phase only. No change of saddlery is allowed between phases or during a phase, except for the removal of boots.

Phase 1 - Jumping (Classes 790 - 793)

Riders are permitted to walk the course dismounted prior to the competition. Horses/ponies must not enter the jumping arena prior to the event. No penalty will be incurred if the lower pole on the same vertical plain is lowered. If a horse/pony positively stops, runs out or turns it's quarters to a fence, or has a complete turn around, these constitute refusals. If a jump is knocked down due to a refusal or disobedience, the competitor must wait for the steward to rebuild the jump and permission from the judged before re-attempting the obstacle. Horses/ponies displaying continued disobedience or ponies leaving the ring, whether the rider is mounted or dismounted will be eliminated. Any horse/pony taking the wrong course or jumping another fence after completing the course will be eliminated. The fall of horse and/or rider anywhere on the course will result in elimination. The rider must leave the arena immediately on foot. Any horse/pony eliminated in the jumping section will not be required for Phase Two.

Phase 2 - Work Out (Classes 790 - 793)

A workout similar to that of a Show Hunter class will be prescribed by the judge. The judge may also require the horse to be stripped to conclude an accurate conformation mark. A fall of horse or rider will result in elimination.

Allocation of Points

Conformation, type and freedom of action 20 points
Manners 10 points

Maximum points for the workout phase is 30 points. Maximum total points for the jumping and work out phases combined is 100 points.

CLASS 790 - SMALL PONY, 12.2 hands and under. (Maximum jump height - 55 cm).
