MESSAGE FROM THE PREMIER OF VICTORIA

Congratulations to Foxeys Hangout on winning the 2010 Premier's Gold Trophy for the Best Victorian Red Wine, with their Foxeys Hangout Shiraz 2009 vintage.

The Royal Melbourne Wine Show has a long tradition of excellence and the Victorian Government is proud of our long-standing association with this prestigious event. This year, 3283 entries were received from more than 501 exhibitors – a clear indication of the importance of this show for the Victorian, Australian and global wine industry.

Victorian wine represents the best of the best and is renowned for its quality and diversity. We are home to a large number of world class, award winning wine brands, from boutique vineyards to larger scale producers, which are enjoyed all around the world.

Our wine industry also contributes significantly to the Victorian and Australian economy, being worth an estimated \$1.6 billion. Our 820 wineries employ more than 11,736 people in growing, winemaking and cellar door sales.

This wonderful event provides an opportunity for high quality Victorian wines to benchmark themselves against the world, and is an ideal avenue to promote wine styles from across our 21 distinct regions.

My best wishes to all wine lovers who participated in the 2010 Royal Melbourne Wine Show.

Message from Mark O'Sullivan Chief Executive Officer

The Royal Agricultural Society of Victoria

Congratulations to all the trophy winners in the 2010 Royal Melbourne Wine Show.

Conducted annually since 1884 by the Royal Agricultural Society of Victoria (RASV) to support and promote excellence in Australian winemaking, the Royal Melbourne Wine Show's growing appeal and success is due to the ongoing support, commitment and participation of the wine industry.

The RASV in conjunction with the Royal Melbourne Wine Show Committee is committed to ensuring the awards remain at the forefront of wine style evolution and winemaking trends. To keep these awards relevant to Australia's constantly evolving wine industry further initiatives are currently in development to reinforce the preeminent position of these awards.

The RASV greatly appreciates the time and effort invested by the Royal Melbourne Wine Show Committee, in particular its Chairman Stephen Shelmerdine and the Chairman of Judges Steven Webber for driving continuous improvement in the quality of the Show.

With more than 3250 entries our 27 judges and many stewards certainly had their work cut out for them and we thank them for their efforts over the last week.

The RASV would also like to thank our principal partner Regional Development Victoria, in particular for their support in facilitating such a high standard of international guest judges at the wine show, and also their ongoing support of the Premier's Gold Trophy for Best Victorian Wine.

We also extend our thanks to our sponsors for their contribution and involvement, and finally all of the exhibitors, who have shown us some of the finest examples of Australian wine.

The RASV looks forward to working with the Wine Show Committee and industry to make further enhancements to the 2011 Royal Melbourne Wine Show, and we offer our congratulations to all our trophy winners once again.

Message from Steve Webber Chairman of Judges

The Royal Melbourne Wine Show

The Royal Melbourne Wine Show is generally acknowledged to be one of the country's most prestigious annual wine competitions and it consistently attracts entries from all over Australia.

This year was no exception and the show organisers and judging panel saw exhibits from almost every major wine producing region. This diversity was also reflected in the wines that won trophies and medals.

There were over 3250 entries this year and the general standard of wines was exceptional. We received a wide variety of submissions across the 68 classes and 47 categories and the wines we assessed showed a tremendous range of styles and regional characters.

I was again pleased to see a number of entries from small and boutique wineries. The knowledge that they can compete on equal terms in the Show with the larger companies is in my opinion an excellent thing for the wine community as a whole. It was also good to see that the big players are really lifting their game in terms of quality.

Among the highlights of this year's event was the elegance, balance and varietal expression that came shining through in so many of the exhibits, especially the cool climate chardonnay, riesling and shiraz.

One thing I would like to see in the future is greater experimentation with some of the more unusual non-mainstream varieties, especially in white wines.

At this point I would like to extend a big vote of thanks to the group of distinguished professionals, including our international guest, together with the Panel Chairs, Judges and Associates. Their expert assistance was absolutely crucial to the process of selecting the winners.

Finally, let me also thank the show's organisers, the Royal Agricultural Society of Victoria, for all their hard work in organising the event. As always, it ran smoothly and without any hitches.

We're already looking forward to next year's show and are confident it will prove just as successful.

Steve Webber

The Jimmy Watson Memorial Trophy for the Best Red Wine of the 2008 and 2009 Vintages Classes 17 to 32

Winner Harvey River Bridge Estate | Joseph River Estate Cabernet Sauvignon 2009

The Jimmy Watson Memorial Trophy is one of the wine industry's most sought-after awards. It's named after the legendary Jimmy Watson who championed wine consumption in the middle of the last century, and the trophy has been presented every year since 1962 at the Royal Melbourne Wine Show for the best red wine from a recent vintage or vintages.

This year's Jimmy Watson trophy winner, Joseph River Estate Cabernet Sauvignon 2009, is a premium reserve wine from one of four ranges produced by the Harvey River Bridge Estate in West Australia's Harvey/Geographe region. The wine is made from small parcels of the finest, hand selected fruit, which are then blended and matured in French oak for 14 months. The area's Mediterranean climate and proximity to the Indian Ocean, together with the gravelly loam soils and altitude of the Darling Ranges, provide a ripening season that results in fruit of excellent quality.

The wine is named after the pioneering Italian migrant, Giuseppe (Joseph) Sorgiovanni who moved from his small village of Caulonia in Calabria Italy in 1928 to start a new life as a horticulturalist in Australia. He settled on a small farm in the Harvey River flat.

The Premier's Gold Trophy for the Best Victorian Red Wine

Winner Foxeys Hangout | Foxeys Hangout Shiraz 2009

The prestigious Premier's Gold Trophy is presented annually at the Royal Melbourne Wine Show on behalf of the Victorian State Government. The Premier's Gold Trophy changes yearly and in 2010 is awarded to the Exhibitor of the Best Victorian Red Wine in Show. All entries must be made from 100% Victorian grapes and vintaged in Victoria to be eligible to win.

The 2010 trophy winner comes from the cool, maritime climate of the Mornington Peninsula. Foxeys Hangout Shiraz 2009 shows sweet and spicy fruit that has been mellowed by ageing in 100% French oak. This delivers complexity as well as great fruit impact balanced by a savoury palate.

Foxeys Hangout is owned and run by brothers Michael and Tony Lee. On a beautiful and historic property at the gateway to the Peninsula's vine-draped hills, they personally make a select range of sophisticated sparkling and still wines. In their still wines, they elegantly showcase the Peninsula's flagship varieties of pinot noir, pinot gris and chardonnay.

The brothers planted their first vineyard in 1997, at Merricks North near the iconic Peninsula road junction named Foxeys Hangout, from which the label takes its name. At their Red Hill cellar door and winery, they offer visitors wine, food and the rare and exciting opportunity to create and bottle a unique sparkling wine blend of their own.

The Francois De Castella Trophy for the Best Young White Wine Classes 5 to 14

Winner Penfolds Wines Pty Ltd | Penfolds Reserve Bin A Chardonnay 2009

The Francois De Castella Trophy is one of the Royal Melbourne Wine Show's feature awards. The trophy is named in honour of Francois Robert De Castella, a pioneer Victorian viticulturalist and winemaker who played a key role in supporting the state's fledgling industry through very difficult times during the late 19th and early 20th centuries.

This year's trophy-winning Penfolds Reserve Bin A Chardonnay is made with fruit sourced exclusively from the Adelaide Hills. The grapes for the Reserve Bin A range are drawn from up to 80 vineyards and the wines are produced only when conditions are perfect. They are notable for their intense, elegant fruit flavours and distinctive complexity. Individual, fine-grained, French oak barrels are selected for perfect integration, complexity, and fruit expression, producing unmistakably rich wines. The range is the embodiment of a strong tradition of experimentation and development at Penfolds.

Chief winemaker Peter Gago heads up the winemaking, assisted by a team of other skilled professionals including Senior White Winemaker Kym Schroeter who is responsible for the Reserve Bin A Chardonnay. All of them ensure that the company's reputation for outstanding quality is upheld. Penfolds is one of the world's top wine companies in terms of quality, product range and value for money.

The Douglas Seabrook Single Vineyard Trophy Classes 1 to 4

Winner Paringa Estate Aust Pty Ltd | The Paringa Single Vineyard Pinot Noir 2008

The Douglas Seabrook Single Vineyard Trophy is a prestigious annual Royal Melbourne Wine Show award named after iconic 1970s Australian wine judge and commentator Douglas Seabrook. To qualify for this award, all exhibits must be produced using at least 95% of fruit from an individually named vineyard and the vineyard name must appear on the wine's commercial label.

The 2010 trophy-winning wine is one of Paringa Estate's Single Vineyard Reserve Series. The Paringa Single Vineyard Pinot Noir 2008 is a wine of intense concentration with abundant ripe black fruits, beautifully balanced oak and plush, velvety tannins. The Single Vineyard Reserve Series wines are only produced in years when quality reaches a required level of excellence. Each is a blend chosen from the best new barrels from Estate-grown fruit, producing wines of both power and elegance.

Paringa Estate's vines were first planted by owner/winemaker Lindsay McCall in 1985 and the first vintage was in 1988. It is one of the most awarded wineries in Australia, particularly for pinot noir and shiraz. 2010 Audit Report

Trophy/Medal Exhibits	14
Exhibits at Random	32
Disqualifications	0

All Trophy/Medal results will be subject to the completion of auditing.

Exhibits are judged on a point score with a maximum of 20 points. The judging sheets are divided as follows:

- 3 points for colour and condition, often wines with poor colour are rejected for defects on both nose and palate;
- 7 points for nose; and
- 10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

- 18.5 – 20 = Gold Medal
- 17.0 – 18.4 = Silver Medal
- 15.5 – 16.9 = Bronze Medal

At the RMWS, the judges are arranged into panels, each consisting of three judges. The Chairman of Judges divides the classes to be judged between the panels. He also gives guidance, clarification and in the case of any disputes he will adjudicate.

All exhibits are judged 'on the blind'. Judges do not sight or handle the bottles. Each class is set up and poured by associate judges and stewards. The judges assess the wines, allocate points and then medals are awarded. The points listed in the results section represent the total of the three judges' assessments.

The following definitions of the various wine types are offered for the guidance of exhibitors.

Varietal wines should comprise at least 80% of the specified variety for 1993 and earlier vintages and 85% of the specified variety for later vintages.

With Cracka, the only things getting pressed are your grapes.

Cracka Wines is a revolutionary new website designed to help winemakers increase the amount of wine they sell online.

Our model consists of three entirely new sales channels that allow consumers to buy better than ever before, while at the same time delivering more profit back into the winemaker's pockets.

Unlike traditional retail channels, our margin is fixed and pricing is left solely at the discretion of the winemaker and/or their agent.

So if you're one of the many wineries who are sick of being pressed on prices, then do yourself a favour and have a look at these exciting new online sales channels.
